gClass Builders

The Builder Process

Builder - How far am I?

|	**1** Do a Class Exercise	**2** Do a Workshop	**3** Do your own original work
Establishing a Web Site	Done (100 XP gained)	Done (50 XP gained)	Pass (Master)

LEVEL UP

Establishing your website

Embedding media

Showing your embedding stuff

Get a good taste of HTML and of a site design process!

Original Work

Levels

Newbie (40 xp)

Apprentice (80 xp)

Master (120 xp)

For maximum quality, aim for **MASTER**

For each level, you must do the previous work as well (ex. You must also do the **NEWBIE** and **APPRENTICE** work in order to get **MASTER**)

HTML

Put web pages on a web server

Do basic page design with HTML
